REMARKS

This application is a §371 national stage of PCT International Application No. PCT/US00/22059, filed 11 August 2000, designating the United States of America, which is a continuation-in-part and claiming priority of U.S. Serial No. 09/374,213, filed August 13, 1999. Accordingly, the parent application, PCT International Application No. PCT/US00/22059, is pending today in the United States of America pursuant to 35 U.S.C. §363, and the subject continuation application is co-pending therewith in fulfillment of the provisions of 35 U.S.C. §120.

By this Amendment, applicants have amended the specification to recite the continuing data for the above-identified application. Applicants maintain that the amendments to the specification raise no issue of new matter and respectfully request that this amendment be entered.

If a telephone interview would be of assistance in advancing prosecution of the subject application, applicant's undersigned attorney invites the Examiner to telephone him at the number provided below.
